

Electrical Parts for Forklifts

Forklift Electrical Parts - Forklifts can be purposely marked to be used in dangerous sites. A labeled forklift indicates the design has met the least requirements of ANSI/UL 558 used for engine powered forklifts or ANSI/UL 583 used for electric trucks for the type of label placed.

The application for labels for lift trucks could be found in National Fire Protection Association NFPA 505 - Powered Industrial trucks including: Type Designations, Areas of Use, and Maintenance and Operation. Consult your local insurance carrier and Fire Marshall for additional info on the approved uses of industrial powered lift trucks in your application.

If the forklift has been found to satisfy the outlined criteria, the following labels may be put. A marked truck will have the model description put on the lift truck nameplate and will have one of the following labels put.
