

## American Lincoln Parts

American Lincoln Parts - Now linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. In the industry they are known in the industry as providing durable and strong machinery that satisfies all the needs of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind model of floor scrubber with the Clarke Company that is presently also owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These types of scrubbers are on the market under the trade mark name "Encore". American Lincoln can supply equipment, components and warranty service for these kinds of scrubbers which carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of various facility managers where efficiency and results matter. Recently, this floor scrubber model has been utilized by the architects in various construction jobs like Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this sweeper scrubber on location due to the model's high standard of quality and utmost performance level for polishing concrete.
