

## Rockwell Parts

Rockwell Parts - AxleTech International is a premier supplier in the world of specialty vehicle drive-train systems and components along with off highway vehicles. The company prides itself on being its customers' chosen supplier. AxleTech strives to exceed and meet their clients' expectations for delivery, quality, service and technology. They believe in working within an environment which encourages the utmost integrity with empowered collaboration, combined with a persistent pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively using principals of ecological stewardship and safety in how they do business. The company has put various programs in place to be able to articulate these values within their business policy. AxleTech gladly shares this policy and welcomes interested parties to offer them with whatever questions or comments, since they are glad to promote and share this policy with a greater understanding of their efforts. They are extremely dedicated to improving and preserving the natural world. AxleTech has an EHS program which not only protects the environment but which also actively protects their staff and neighbors as well.

AxleTech prides themselves as being an innovative drive-train solutions provider. They specialize in manufacturing and designing planetary axles utilized for both commercial and military applications. These applications vary from construction equipment to airport ground support. AxleTech specially designs axles to meet specific application demands. They have over one thousand various axle specs within their present offering. With over one hundred years of history and experience, AxleTech proudly supplies the most complete solution for whichever of your axle needs. The company is well known in many military and commercial applications. They provide complete axle assemblies used for aftermarket replacement requirements, along with servicing axle needs for OE production. Their high mobility ISAS have further details that can be found in the "ISAS" product selection.
