

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than 60 years combined experience with effectively manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to giving top quality and new design concepts in order to meet the diverse requirements of their customers.

TREK Cleaning Machines continually offers fresh design concepts as shown in their product development. They like providing products which energize both their partners and their dealers and provide production gains to their clients.

The TREK team of workers enjoys new challenges and new tasks. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements along with their comprehension of cleaning applications, together with owners' strong desire to considerably reduce expense through productivity gains.

The employees at TREK and their dealer-partners are strongly committed to having both technical support and parts obtainable when it is required. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning machines running and ready day after day is top priority. The company's top of the line technology delivers reliable machine that ultimately lowers your cleaning cost. The price, the service and the product all work as one to make them the leader in the trade.
